Garbage areas  
Wash Rooms

Drains  
Mould & Mildew  
Aged & Child Care

QUALITY CONTROL:

BATCH No: #

NETT CONTENTS: 20 Litres

**BIODEGRADABLE**

**DIRECTIONS:**

**Cleaning & Sanitising:**

Dilute 1 part Nama Care with 20 parts water. Spray, mop, brush or pour the disinfectant over areas to be treated. Allow product to activate surfaces. Wipe, wash or hose off excess.

**Drain Cleaning:**

Pour 500 mL of Nama Care into each drain every month. This will reduce bacteria development in the drains and assist in discouraging crawling insect activity in these areas.

*Nama Care can be used as a foaming agent with foaming equipment.*

**NAMA<sup>™</sup>**  
**CARE<sup>™</sup>**

**NATURAL DISINFECTANT CONCENTRATE**

- **Kills bacteria on contact**
- **Environmentally friendly**

\* Nama is an aboriginal word for the tea tree bush, the source of one of the plant extracts.

*NAMA CARE combines the disinfecting power of Australian plant extracts with a natural biodegradable cleaner.*

Kills bacteria Faecal Coliforms, Pseudomonas aeruginosa, Staphylococcus aureus, Faecal Streptococcus on contact.
